

Welcome to our September edition of “Eco-Bulletin!”

We hope you had a wonderful summer and we wish you a vibrant and colourful fall!

At our Association, we have been working hard to build connections across Canada, and we are excited to have collaborated to organize an outstanding legal workshop in Manitoba. We encourage you to attend this workshop, even if you are not located in Manitoba. Here are the details of the workshop:

This program will be shared by the Law Society of Manitoba with the Manitoba Bar Association and the Faculty of Law at the University of Manitoba.

Stay tuned for our upcoming national event in November! More details will be shared in our next newsletter.

We encourage you to contribute to our "[Your Story, Your Power](#)" section by sharing your experiences, submitting articles for our [Eco Empowerment](#) blog, or providing

resources related to multiple chemical sensitivity (MCS) and environmental awareness in your region.

If you have Multiple Chemical Sensitivity (MCS), your insights are incredibly valuable. Please take a few minutes to [complete our survey](#), which will help us better support the MCS community. Even if you don't have MCS, your feedback is crucial, and we'd appreciate you sharing your thoughts through [this survey](#).

Consider [joining the EHAC-ASEC community](#), where over 2,000 members are dedicated to protecting human health and the environment. If you have any questions or need further information, don't hesitate to reach out!
